Sept 21, 2015

Members absent: Karen Atwood, Porter Little

Current Activities

Soccer Field planning

Zach Rich met with the Township Committee and South Hunterdon; both groups had some hesitation regarding a new soccer field at the Municipal Building as did the Open Space Committee. Zach will continue to work with all groups to put in a soccer field at the municipal building with projected break ground date of March 2016.

Hewitt field renovation may be in jeopardy due to the Penn East pipeline which is slated to run through the Park.

More information will be forthcoming as discussions continue.

Hewitt Field

Sam will complete a checkout of the snack shack at Hewitt as a close out for the baseball season. The combination remains the same.

The mesh and top fence tube will be installed in March 2016; Ryan from the Township will be asked to complete this task.

The next meeting scheduled is Monday, October 12, 2015 at 7:15 pm at the West Amwell Municipal Building.

Respectfully submitted,

Heidi Tomenchok
