

## **Ag Advisory Committee Minutes for December 15, 2011**

Meeting called to order at 7:30 pm with Chester Urbanski, Bill Kiriluk, and Dave Miller present. Betty Jane Hunt and Greg Sappington were absent.

Minutes from the previous meeting of Sept. 13, 2011 were reviewed and approved.

The first order of business was a discussion on meeting minutes. The meeting minutes for part of 2010 and all of 2011 were reviewed in note form and will be made available to the webmaster in standard form by the end of the year. The minutes for February and September 2010 were approved.

The committee then had a general discussion about goals accomplished this year and some future projects for the coming year 2012.

Also discussed was the need to change the meeting dates from the first Monday of each month to a more agreeable date.

Meeting was adjourned at 8:18 pm with no scheduled January meeting at this time.

Minutes prepared by Dave Miller.
