

Ag Advisory Committee Minutes for April 4, 2011

Meeting commenced at 7:30 pm with Chester Urbanski, Bill Kiriluk, Greg Sappington and Dave Miller present. Betty Jane Hunt was absent.

Minutes from the previous meeting of Feb. 7, 2011 were reviewed and approved.

Discussion of the Township Fair. We will have a "booth". We need to compile a list of farm stands/markets that might be interested.

The Committee discussed how we can participate in the upcoming Township Fair, scheduled for Saturday, May 14.

The Committee came up with 4 local farms that sell products to the public and worked on a printout with their names, products for sale, contact info. (Chicken Dog Farm, North Slope Farm, Dave and Patti Hauser, Podere di melo, Tomenchok Farms.) This will be handed out at the Fair.

We also discussed the fact that the PB is in the process of reviewing the Conditional Use section of Chapter 109 and that they would like us to review and provide comments on sections 109-99, Riding academy, livery, or boarding stable and 109-103, Farmers' Market.

Need to look at 109-99 Riding Academy.

Farmers Market, 109-103 is OK.

The meeting adjourned at 8:40 pm.

Minutes prepared by Dave Miller.
