

Ag Advisory Committee Meeting Minutes for September 28, 2009

Meeting commenced at 7:40 pm with Chester Urbanski, Greg Sappington, Bill Kiriluk and David Miller present. David Hauser was absent.

The committee discussed the feasibility of water testing in the Alexauken Creek. All agreed that there is no money in the budget so the option of approaching the High School Biology class to see if they would be interested in testing at 3 stations.

Discussed the Princeton Hydro report of 2006 with 8 testing stations along the Alexauken and the results of these test showing little or no contamination from agriculture. Also note that several manure piles were shown on the map of the testing station locale and Bill Kiriluk and Dave Miller agreed that several of these piles never existed.

Review of the Chapter 109 codes found nothing relevant to farming in the community.

New Stormwater Ordinance will be reviewed at next meeting.

The meeting adjourned at 8:30 pm. Next meeting is scheduled for November 2, 2009 at 7:30 pm.

Minutes prepared by David Miller.
