**Attendance:** Chester Urbanski, Betty Jane Hunt, Bill Kiriluk, Greg Sappington, Heidi Tomenchok

Members absent: None

The meeting was called to order at 7:34 pm.

The June meeting was not held due to committee member vacations and work conflicts.

### **Approval of minutes**

The minutes of the May 1, 2014 were approved; no changes.

### **NJ State Agriculture Development Committee (SADC)**

The SADC materials on the Proposed Agricultural Management Practice (AMP) for On Farm Direct Marketing (OFDM) were reviewed and discussed. No action is needed or has been requested of the Ag Advisory Committee at this time.

### **Acting Secretaries**

Note the following changes:

July – Heidi

August – Chester

September – Betty Jane

### **Open Discussion**

Bill asked if anyone was aware of the Princeton Hydro work in the township; it is understood that there are possibly projects in the following areas:

- Hills at Hunterdon
- Alexauken Creek Wildlife Management Area

Bill can request additional information on the status of both projects from the Township Committee.

### **Additional Business**

None

The meeting was adjourned at 8:00 pm.

The next regularly scheduled meeting is Thursday, September 4, 2014 at 7:30 pm at the Municipal Building. The committee decided to cancel the August 7<sup>th</sup> meeting.

Respectfully submitted,
