

Ag Advisory Committee Minutes for April 4, 2013

Meeting commenced at 7:35 pm with Chester Urbanski, Betty Jane Hunt, Greg Sappington, Bill Kirluk and Dave Miller present. Township liaison Tom Molnar was absent.

Minutes from the March 7, 2013 meeting were approved with no changes.

Chester updated the committee regarding farming of the municipal property. Robert Fulper signed the contract on March 27th. Mr. Fulper wanted to be able to use his deer depredation permit on the property but the Township Committee refused. Other arrangements had been previously made with hunters who had paid to hunt the property, as per the township deer management program.

The next order of business discussed was the county anniversary celebration. Marcia Karrow's visit to the Township Committee meeting was discussed. Over 90 lectures are planned, parades, floats, and a barn dance fundraiser this December. Paintings of the county courthouse, magnetic car stickers and various other items are being made available on the county website. The Township Mayor is choosing a representative from the Township to work with the County Rep's in planning events.

The garden contest was discussed with little finalization. It was decided to talk to the Mayor to see what the Township has planned and whether or not they want the contest.

Meeting adjourned at 7:55 pm with the next meeting scheduled for May 2nd. Minutes prepared by Dave Miller.
