April 2015

Dear Tournament Supporter:

This year will mark 23<sup>rd</sup> year for the "Jason Fuhr Charity Golf Tournament" and the second "Memorial" tournament honoring the passing of the founder, Mr. D. Jason Fuhr. The "just for fun outing" with a few friends has grown into a major community event, raising significant funds for local charitable groups. In addition to the help given to charities, the tournament committee has added a scholarship for a high school student who exemplifies the values and commitment that Jason so loyally demonstrated to the community. By supporting this worthwhile event you will be assisting us to carry on the charitable work that was so important to him.

Each year the tournament committee has been able to distributed more than \$10,000 to local community based charities. These included the Lambertville-New Hope Ambulance and Rescue Squad, the South Hunterdon Municipal Alliance, Hunterdon Hospice, Amwell Valley-Ringoes Rescue Squad, Stockton First Aid Rescue Squad, Palisades Search and Rescue Dogs and the Lambertville-New Hope Kiwanis as well as other groups and families in need of support.

The Bucks Club, in Jamison, PA will again be the location of the tournament on Monday, July 27. We hope you will be a part of this community activity by supporting it as a sponsor, donor or golfer. You will be honoring the memory of Mr. Fuhr and supporting the charities that work hard to make our community a special place to live.

Jason Fuhr Memorial Golf Tournament Committee
