STATE PUBLIC QUESTIONS TO BE VOTED UPON

STATE PUBLIC QUESTION #1
NEW JERSEY LIBRARY CONSTRUCTION BOND ACT

Do you approve the "New Jersey Library Construction Bond Act"? This bond act authorizes the State to issue bonds in the aggregate principal amount of \$125 million. The proceeds of the bonds will be used to provide grants to public libraries. The grants will be used to build, equip, and expand public libraries to increase capacity and serve the public. YES

NO

INTERPRETIVE STATEMENT

Approval of this bond act will allow the State to sell \$125 million in State general obligation bonds. Proceeds from the bonds will be used to provide grants to construct, expand, and equip public libraries. Municipalities or counties that fund public libraries will match the grant amount. The municipality or county may solicit private funding to support its match. The State Librarian, in consultation with the President of Thomas Edison State University, will set eligibility criteria for the grants.

STATE PUBLIC QUESTION #2
CONSTITUTIONAL AMENDMENT DEDICATING MONEYS FROM STATE ENVIRONMENTAL CONTAMINATION CASES

Do you approve amending the Constitution to dedicate all moneys collected by the State relating to natural resource damages in cases of contamination of the environment? The moneys would have to be used to repair, restore, replace, or preserve the State's natural resources. The moneys may also be used to pay legal or other costs incurred by the State in pursuing its claims. YES

NO

INTERPRETIVE STATEMENT

This amendment would dedicate moneys collected by the State relating to natural resource damages through settlements or awards for legal claims based on environmental contamination. These moneys would be dedicated to repair, replace, or restore damaged natural resources, or to preserve the State's natural resources. The moneys would be spent in an area as close as possible to the geographical area in which the damage occurred. The moneys could also be used to pay for the State's legal or other costs in pursuing the claims. Currently, these moneys may be used for any State purpose.

MUNICIPAL PUBLIC QUESTION TO BE VOTED UPON

Should the Township Committee pursue a Contract with neighboring municipalities to provide Police Services to West Amwell? YES

NO

INTERPRETIVE STATEMENT

Prior to 2009, 44% of our Township budget was funded through State Aid while local municipal taxes funded 25% of the budget. Beginning in 2009, annual State Aid has been reduced by \$551K and now only funds 25% of the budget while municipal taxes fund 37% of the budget. Through aggressive and diligent cost containment efforts by the Township Committee since the loss of State Aid, the budget has only increased by \$342K or 1% per year on average. Township services have been maintained but continuously evaluated and adjusted as necessary to minimize rising costs. As successful as cost savings measures have been, maintaining Township services as they currently are, has become unsustainable without additional revenue to cover the loss in State Aid. In addition, several much needed projects have been on hold for lack of funding that have now become critical to complete. They include for example, much needed repairs and improvements to our roads and municipal buildings.

As the Township Committee begins the process of developing a balanced 2018 budget later this year, they will be faced with two choices to address the revenue shortfall. Either further reduce the cost of services to compensate for both the loss of State Aid and fund needed projects OR significantly increase municipal taxes going forward.

Given that Police Department costs account for 31% of the operating budget, the Township Committee is proposing that Police Services could be contracted out to another municipality in order to avoid significantly increasing municipal taxes or avoid drastically reducing or eliminating other beneficial services.

A Yes vote means the Township should solicit proposals from neighboring municipalities for them to provide all Police coverage to West Amwell residents, similar to the coverage and services the Police currently provide. The anticipated cost savings, which must be significant in order to be considered, will be used to maintain a reasonable municipal tax as well as fund needed repairs and improvements to our roads and municipal buildings.

A No vote means, the West Amwell Police Department should remain intact in its present form. But the local municipal tax will need to be increased over the next several years resulting in an estimated average homeowner tax bill increase of approximately \$400 per year.
